Welcome To The 11th Annual AMN Year In Review

The editorial staff of aftermarketNews is proud to present the 11th annual AMN Year In Review, sponsored this year by Federated Auto Parts.

Delivered exclusively this week to AMN subscribers in four special afternoon e-newsletters, we will take a look back at what AMN readers found to be the most compelling and important news reports, interviews and articles of the past year. Top 10 lists have been compiled for four of the most popular news categories on AMN: Executive Interviews, Personnel News, Manufacturing and Distribution.

Items selected for the 2014 Year In Review series are judged purely on viewership, as reported by Google Analytics. You and your mouse clicks do the talking - every unique click equals a vote. The cut-off date for consideration was Nov. 1, 2014.

We sincerely thank our sponsor, Federated Auto Parts, for its support of this annual industry review.

Today we present the Top 10 Interviews of 2014.
